## Welcome to Mairehau Primary School

Our prospectus gives parents important information regarding enrolling children at Mairehau Primary School. If, after you have read it, you still have questions, please feel free to ring the school office on 385 3796.

Our school is zoned, so one of the first questions you may have will be whether or not you live in our zone. This information is on our website: [www.mps.school.nz](http://www.mps.school.nz). For out of zone families, ballots are run each term.

Also in the folder:

## FROM THE PRINCIPAL

### WELCOME TO MAIREHAU PRIMARY SCHOOL

This prospectus introduces you to our school. It explains how we do things and why, and shows you how we can work with you to help your child make the best learning and social progress while at school.

We provide a balanced education where academic and social skills are fostered so that each individual child develops the knowledge, skills and attitudes to become a well-rounded member of society.

We seek to cater for each individual's strengths and abilities. We encourage each child to value the learning opportunities offered both in and out of the classroom. We give children skills of conflict resolution and strategies and values that make it easier to make positive choices. Each child is also encouraged to take responsibility for his/her own learning and behaviour.

We are proud of what is achieved at this school, through the team effort of teachers, teaching support staff, pupils, Board of Trustees and parents.

We value the involvement of the parent community in our school.

Should you wish more information, do not hesitate to contact me personally so that we can discuss your child's needs at a personal level.
